

Berger Research Information

Technical Information

Printer: DuPont® Artistri®

Textile: 4499-6-180 back lightex FR +w

Dear Customer

the adhesion of the textile to the transport belt of the DuPont Artistri can be different depending on the side you print on the fabric.

In general the fabrics approved for DuPont Artistri are coated both sides and can be printed on both sides. Please check which side sticks better to the belt of the Artistri and define the print side accordingly.

4499-6-180 backlightex FR +w The printside is inside, the outside sticks better to the belt.

For any questions please do not hesitate to contact us.
