### DESCRIPTION

PES Banner Jupiter FR is a PVC-free banner material. Its a woven 100% Polyester fabric and both sides are acrylate coated. Both sides have an almost identical appearance which gives a high quality impression (Canvas) and guarantees a very long usage. The banner is very strong, lays and hangs flat, is environmentally friendly (100% recyclable) and the surface is washable (wallpaper).

### NOTES

Greyback / blockout alternative: Art.No. 4481-65 PES Greyback Banner Saturn FR.

The numbers above are purely guidelines and may differ depending on your personal printing needs and expectations. Since the printing results depend on numerous factors, we strongly advise to test your output in order to find out if any adjustments are necessary. A legally binding assurance of certain properties of the fabric can not be derived from the information above.
