DESCRIPTION

PES Greyback Banner Saturn FR is a PVC-free greyback banner material. Its a woven 100% Polyester fabric and both sides are acrylate coated. The print side is bright white and the backside has a grey blockout coating. The fabric has a high quality appearance (Canvas) and guarantees a very long usage. The material is very strong, lays and hangs flat, is environmentally friendly (100% recyclable) and the surface is washable (wallpaper).

NOTES

Technical textiles are naturally subject to weather conditions. This product can be used outdoor for a short term.

The numbers above are purely guidelines and may differ depending on your personal printing needs and expectations. Since the printing results depend on numerous factors, we strongly advise to test your output in order to find out if any adjustments are necessary. A legally binding assurance of certain properties of the fabric can not be derived from the information above.
